### Chapter 1 by Knives Chau

Toan puts on his armor and RUSHES INTO BATTLE!!!!!!!!!!!!!!wait...wrong story...this is about toan.....so yeeah...toan! He got up to brush his teeth and saw his reflection and jizzed in his pants. now knowing that jizz is running down his leg, he ripped off his pants showing hot pink leopard printed panties. Then seeing his panties he jizzed again. His jizz was bloody so he ripped of the panties also to wash them.but he accidentally put jizz in there instead of water. The jizz made his super hero costume white so he became JIZZ MAN! Jizzing on everyone who needed it yes even children. They all were jizzed on! This Jizz was made of lava!

### Chapter 2 by Kim Pines

But Toan was fine, because he was immune to lava jizz. However no other human was. Toan had a vengeance however. A man known only as Steve Jobs. Now Steve was technically dead. Or so they thought. But Toan knew otherwise. Because who else was named Steve and thought dead? Captain America. So Toan knew that Steve Jobs was buried deep in the arctic. Toan had to find some means of transportation. So Toan had to find a way to get to the arctic. however, he could not travel on an airplane, and Toan was not able to swim, so he couldnt do that.

A man on the street told Toan how to fly if he could recite Pi to a million places.
